signUpForm

The wireframe shows a sign-up form layout. On the left, there is a placeholder for a logo (a rectangle with an 'X') and a placeholder for a profile picture (an empty square). At the top right, there is a navigation bar with three links: 'About Us' (highlighted in dark grey), 'Attractions' (light grey), and 'SignUp' (light grey). The main form area contains four labeled input fields stacked vertically: 'Name', 'Email', 'Password', and 'Confirm Password'. Below these fields is a dark grey 'Submit' button.

signInPage

The wireframe shows a sign-in page layout. On the left, there is a placeholder for a logo (a rectangle with an 'X') and a placeholder for a profile picture (an empty rectangle). On the right, there is a navigation bar with three buttons: 'About Us' (dark), 'Attractions' (light), and 'SignUp' (light). Below the navigation bar, there are three input fields labeled 'User Name', 'Email', and 'Password'. At the bottom of the form, there is a 'SignIn' button.

Navigation Bar:

- About Us
- Attractions
- SignUp

Form Fields:

- User Name
- Email
- Password
